

Honors and Awards

- *F31 Ruth L. Kirchstein National Research Service Award (NRSA)*. Pre-doctoral fellowship funded by the National Institute on Aging. *Project Title*: “Genetic and social mechanisms of illness behavior development in early and late adulthood” 2015-2017
- *RAND Summer Associate Fellowship*, Selected through the Graduate Student Summer Associate Program at RAND Corporation. Received a stipend of \$12,000 to conduct interdisciplinary research on a social policy issue. *Project Mentors*: Drs. Lisa Meredith & Carra Sims 2014
- *Graduate Student Honors Reception*, Annual reception at the Chancellor’s residence honoring UCR graduate students who have received major fellowships or special recognition from outside sponsors or agencies. 2013
- *Associate Member Travel Award Recipient*, Behavior Genetics Association (BGA). Award declined. 2013
- *National Science Foundation (NSF) Graduate Research Fellowship Program*, Honorable Mention recipient for two consecutive years. 2012-2013
- *Phi Beta Kappa (Delta Chapter)*, highest undergraduate academic honor bestowed by Tufts University; One of 61 elected by faculty from a graduating class of about 1,300 for demonstrating academic breadth, commitment, and achievement. 2009
- *Tufts Summer Scholar*, Received a \$4,500 stipend through the Summer Scholars Program to implement an independent research project under the supervision of a faculty mentor; One of 50 chosen from an applicant pool of about 300 undergraduates. 2007-2009

Volunteering and Service

- *Campus Representative, APA Division 38 (Health Psychology)* 2015-2016
- *Medical Scholars Program, Graduate Student Mentor*, Mentored an undergraduate student through the completion of an independent research project during this eight-week program. The Medical Scholars Program seeks to increase the diversity of UC Riverside students who enter medical school or post-graduate education with a research focus. *Project Title*: “The Relation Between Comorbidity and Self-Rated Health in the GENDER Study” By Christopher L. Tran, Brittany L. Bannon, & Chandra A. Reynolds 2015
- *Psychology Mini-Graduate Student Association (GSA) President*, Served as a departmental representative, attending monthly Graduate Student Association meetings to discuss and vote on key issues facing graduate students at UCR (e.g., budgets, health insurance, campus culture). Drafted a quarterly newsletter for psychology graduate students, which included meeting updates and upcoming events of interest (e.g., tutorials and workshops, submission deadlines). 2013-2014

- *Graduate Representative*, Peer-elected position involving the organization of 2013-2014 intra-departmental workshops, planning of recruitment weekend and other social events.

### Professional Memberships

<i>Society for Personality and Social Psychology (SPSP)</i>	2010- Present
<i>Society for Behavioral Medicine (SBM)</i>	2013-Present
<i>American Psychological Association (APA)</i>	2013-Present

### Manuscripts Under Review

- Meredith, L.S., Sims, C.S., Batorsky, B.S., Okunogbe, A., **Bannon, B.L.**, & Myatt, C. (under review). Identifying promising approaches to U.S. Army institutional change: A review of organizational culture and climate. Santa Monica, CA: RAND Corporation.

### Manuscripts In Progress

- Bannon, B.L.**, Reynolds, C.A., Corley, R., Wadsworth, S.J., & Stallings, M. (in preparation). Predicting illness behavior in a community sample of young adults: Associations with childhood emotionality and illness burden.

**Bannon, B.L.,** & Legg, A. M. (in preparation). Meta-analytic review of perceived risk and genetic testing decisions: Moderation of methodological, demographic and disease factors.

### Conference Presentations & Invited Talks

**Bannon, B.L.,** Miller, L.C., & Tirella, L.G. (2016, January). Children's drawings: Self-perception and family function in international adoption. Invited paper to be presented at the 5<sup>th</sup> International Conference on Adoption Research (ICAR5), Auckland, New Zealand.

Dunlop, W.L., **Bannon, B.L.,** & McAdams, D.P. (2015, February). Studying the agent through time: Personal goal development during the adult lifespan. Invited paper presented at the 16<sup>th</sup> annual Society for Personality and Social Psychology (SPSP), Lifespan Social-Personality Pre-conference symposium, Long Beach, CA.

**Bannon, B.L.** (2014, August). A comprehensive literature review of organizational culture and transformation: Identifying promising approaches to Army challenges. Behavioral and Policy Sciences (BPS) Summer Associate seminar. RAND Corporation, Santa Monica, CA.

**Bannon, B.L.** (2013, April). Adulthood illness behavior: Associations with childhood temperament and illness burden. Invited speaker at the Social/Personality Psychology area brown bag meeting, University of California, Riverside.

Tirella, L. G., & **Bannon, B. L.** (2011, April). Attachment and use of adopted children's drawings as a diagnostic tool. Paper presented at the 38<sup>th</sup> Annual New England Adoption Conference, Bellingham, MA.

### Conference Posters

**Bannon, B.L.,** Legg, A. M., Reinert, M. & O'Campo, R. (2015, February). Meta-analytic review of perceived risk and genetic testing decisions: Moderation of methodological, demographic and disease factors. Poster presented at the 16th annual Society for Personality and Social Psychology (SPSP) Conference, Long Beach, CA.

Miller, T.A., **Bannon, B.L.,** & DiMatteo, M.R. (2014, May). Meta-analytic review of adolescent treatment adherence: The moderating role of intervention type. Poster presented at the 26<sup>th</sup> annual Association for Psychological Science (APS) Convention, San Francisco, CA.

**Bannon, B.L.,** Reynolds, C.A., Corley, R., Wadsworth, S.J., & Stallings, M. (2014, February). Adulthood illness behavior: Associations with childhood temperament and illness burden. Poster presented at the 15<sup>th</sup> annual Society for Personality and Social Psychology (SPSP) Conference, Austin, TX.

**Bannon, B.L.** (2013, February). Perceived risk and genetic testing decisions: A meta-analysis. Poster presented at the 14<sup>th</sup> annual Society for Personality and Social Psychology (SPSP) Conference, New Orleans, LA.

**Bannon, B. L.**, Reynolds, C. A., Corley, R., & Wadsworth, S. J. (2012, October). Emerging effects of childhood temperament and social support on objective and perceived health in young adulthood. Poster presented at the 2012 Society for Research in Child Development (SRCD) Themed Meeting: Transitions from Adolescence to Adulthood, Tampa, FL.

**Bannon, B. L.**, Gray, H. M., LaPlante, D. A., & Ambady, N. (2012, January). The Alcohol Identity-Implicit Association Test's (AI-IAT) convergence with a Facebook photo measure of alcohol identity. Poster presented at the 13<sup>th</sup> annual Society for Personality and Social Psychology (SPSP) Conference, San Diego, CA.

**Bannon, B. L.**, Gray, H. M., LaPlante, D. A., Ambady, N., & Shaffer, H. J. (2011, January). The role of alcohol identity in college students' risky drinking practices. Poster presented at the 12<sup>th</sup> annual Society for Personality and Social Psychology (SPSP) Conference, San Antonio, TX.

**Bannon, B. L.**, Miller, L. C. Tirella, L., & Smith, C. (2009, April). Children's drawings: Self-image and family function in international adoption. Poster presented at the 11<sup>th</sup> annual Tufts Undergraduate Research & Scholarship Symposium, Medford, MA.

## Teaching Experience

### *Guest Lectures*

**Bannon, B.L.** (2015, March). Illness behavior and genetic testing decisions. Guest lecturer in the undergraduate Psychology course, *Health Psychology*, at the University of California, Riverside.

**Bannon, B.L.** (2013, October). Theories of health behavior change. Guest lecturer in the undergraduate Psychology course, *Health and Behavior Change*, at the University of California, Riverside.

**Bannon, B.L.** (2013, August). Lifespan linkages: personality and health outcomes. Guest lecturer in the undergraduate Psychology course, *Life Span Development*, at the University of California, Riverside.

**Bannon, B.L.** (2012, November). Lifespan linkages: personality and health outcomes. Guest lecturer in the undergraduate Psychology course, *Life Span Development*, at the University of California, Riverside.

### *Graduate Student Instructor*

<i>Psychological Methods: Statistical Procedures</i> , UC Riverside.	Summer, 2015
<i>Health Psychology</i> , UC Riverside. Overall Rating: 6.4/7.0	Spring, 2015
<i>Introduction to Psychology</i> , UC Riverside. Overall Rating: 6.3/7.0	Winter, 2015
<i>Health Behavior Change</i> , UC Riverside. Overall Rating: 6.3/7.0	Fall, 2014
<i>Biological Issues in Development</i> , UC Riverside. Overall Rating: 6.4/7.0	Spring, 2014
<i>Social Psychology</i> , UC Riverside. Overall Rating: 6.3/7.0	Winter, 2014
<i>Health Behavior Change</i> , UC Riverside. Overall Rating: 6.4/7.0	Fall, 2013
<i>Lifespan Development</i> , UC Riverside.	Summer, 2013
<i>Health Psychology</i> , UC Riverside. Overall Rating: 6.5/7.0	Spring, 2013

*Introduction to Psychology*, UC Riverside. Overall Rating: 6.4/7.0  
*Lifespan Development*, UC Riverside. Overall Rating: 6.2/7.0  
*Health Psychology*, UC Riverside.

Winter, 2013  
Fall, 2012  
Summer, 2012

### Additional Training

- *Measurement and Quantitative Techniques Workshop, UC Intercampus Consortium on Health Psychology, UC Irvine, CA.* Summer, 2015  
Participated in a two-day workshop covering a broad range of topics, including anthropometric, biomarker and electronically activated recorder measures; longitudinal data analysis; missing data; and meta-analysis techniques in health psychology research.
